

Prebona OdorControl™

Removes odor in a minute.

Prebona OdorControl eliminates bad smell in cars with immediate effect. Bad smell from smoke, pets, urine, mold, etc, are instantly removed after the car has been treated with Prebona OdorControl.

Mr. CAP i Lund använder Prebona OdorControl för att eliminera lukt i bilar.

Mr. CAP in Sweden, reconditions cars and uses Prebona OdorControl to treat cars with a bad smell. Especially rental cars are affected by bad smell, for example from costumers who smoke in the car. For car rentals, it is important that smell is removed quickly so the car can be rented out again without delay. Second hand caravans often have a smell that makes them hard to sell. After treatment with Prebona OdorControl the smell is removed, which increases the value of the caravan.

“Bad smells in cars disappears immediately after treatment with Prebona OdorControl – very effective. Cars with bad smell from smoke etc. is removed instantly and we are very pleased” says Mohammed Aloosh, station manager at Mr. CAP in Lund, Sweden.
