

# No Smell

## In the City of Carmel

*"Odor in public restrooms is removed with Prebona OdorControl"*

### **Carmel-by-the-sea uses Prebona OdorControl to eliminate smell in public restrooms.**

Carmel-by-the-sea is a city located on the Pacific coast in Monterey County, California. It was founded in 1902 and is known for its natural scenery and environmental responsibility besides having among the best public restrooms in the United States.

As every city, Carmel has had a challenge to keep its public restrooms free from odor. After testing several products against smell in public restrooms, it was concluded that Prebona OdorControl was the most effective and environmentally sustainable product.

*"Odor in public restrooms is removed with Prebona OdorControl"* says  
Cleve J. Waters IV, Facilities Maintenance  
Division Supervisor, City of Carmel by the Sea.

### **Prebona OdorControl**

Prebona OdorControl eliminates odors effectively and sustainably by absorbing and breaking down the odor-causing molecules. It is based on patented technology from Prebona.
